

AUCTION DETAILS

- All bidders must check in at the registration table to receive a bid number. Bids will not be accepted from persons without an assigned bid number.
- Tonight's auction is divided into two events: the silent auction and the live auction. The silent auction will begin at 6:00pm. The MC will announce closings as they approach. The live auction will begin at 7:30pm and continue until all items have been auctioned.
- All sales are final and there are no exchanges or refunds on the items sold.
- Full payment is required for items on auction night. Cash, personal checks and MASTERCARD, VISA, AMERICAN EXPRESS AND DISCOVER are accepted for payment.
- All items purchased during the auction must be claimed and removed from the premises the evening of the auction.
- Purchasers are bound by the precise restrictions specified by the donor. Please honor all gift restrictions.
- Keep your receipt for tax purposes. The amount you pay, minus the retail value of the item, is tax-deductible.

Silent Auction Guidelines

- There is a bid sheet for each item. Bidders must write their bid number next to the bid amount they wish to bid.
- A bid must be raised by the minimum indicated on the bid sheet to qualify as a valid bid. Bid sheets will then be removed from the tables and a record of the winning bidder and amount will remain at the table for easy identification.

- No bids shall be received after the table is closed.
- Items will be awarded to the bidder with the highest valid bid for that item at the closing time of a table.
